This Sunday we celebrate another of the events that people would like to have seen firsthand. Some traditions say that Mary was taken into heaven before she died; others that immediately after death, she was taken to heaven. The point was that Mary did not have to wait for her resurrection; it happened at the end of her life on earth. Jesus was the first to be raised from the dead by the Father, but not the last. Mary in the scriptures is a symbol of all believers, (she calls herself a "lowly servant" and praises God for his mercy) so we know that God raised her to show us that we too will be raised. We also celebrate this feast because Mary in heaven shares the love and joy that Jesus has for his followers. We trust that Mary wants to help us in any way she can. She reminds us that love does not end with death. And so we can confidently ask her intercession for our needs.
