**Sacrament of Anointing of the Sick:** If you know of anyone needing the Sacrament of the Anointing of the Sick or Last Rites, please let Father know. If it is an emergency, please call the office phone or send Father an email. If a family member is in a neighboring hospital (Columbia, etc.) and it is an emergency, please let your doctor or nurse know to contact a Priest – they have priests on-call every day of the week at the larger hospitals. If it is not an emergency but you'd like Father to visit in the hospital, please talk to him to arrange a time for a visit.

**Sacraments of Baptism or Marriage:** a preparation process is required before either of these Sacraments is celebrated. Please contact Father or Parish Secretary at least 6 months before a wedding is planned or as soon as the pregnancy is known so that proper arrangements may be made for the spiritual preparations.

Bishop McKnight's July prayer intention for our Diocese. For the promotion of Eucharistic life among the faithful; that our participation in Mass and Eucharistic adoration may inflame our hearts to live out more effectively the Sacrament of Charity.

*\*New Format for Offertory Tithing – FY 24-25*

Last Fiscal Year, 2023-2024, our parish took in \$148,844.95 of Offertory Tithing. While our QuickBooks categories are in the process of being upgraded to be more transparent in the future, our actual operating expenses is around \$153,000.00. As you may be aware, expenses across the board are increasing. For example, we just paid our yearly Property Insurance which was around \$5,800. Insurance has skyrocketed over the past couple of years, but the Diocese is helping us tremendously in not passing along the direct cost right away to us; rather over several years to adjust. Utilities are increasing as well, and we need to pay our employees a just wage to keep up with the inflation/cost of living increases we are experiencing. Therefore, to keep up with expenses, after studying the numbers, **we truly need around \$3,100.00 per week to operate.** Last year, we took in an average of \$2,862 per week. This is around \$238 more per week needed. The goal YTD \$ is always reflective of the goal needed for the current day the bulletin is published (i.e. today, July 21, the goal needed is \$9,300). A more detailed finance report is to follow this Fall, especially regarding some of our restricted\* funds on deposit with the Diocese. (\*restricted = we have these funds set aside for a specific parish purpose, meaning they are for specific intended uses, i.e. Campus HVAC, Parish Hall, etc.)

### STEWARDSHIP PRAYER

*Gracious God, You sent your Son to proclaim the Good News, inspire us in faith and show us the way to be good stewards of Your abundant gifts. In this month of July dedicated to the Most Precious Blood of Jesus, grant us the wisdom to recognize that through his gift of the Eucharist there is but one cup of covenant and communion with Christ and each other. Through the Eucharist, give us the courage to be good stewards of Christ's presence to others in our words and our deeds. And through your Spirit teach us to live, no longer for ourselves, but in Christ Jesus who lives and reigns with You and the Holy Spirit, God forever and ever. Amen*

Let us soak up the long days and warm sun. May our feet walk on sandy beaches and our heads rest on thick grass under blue skies. This summer, God, may our breathing slow and our hearts open. God help us to be present to all that is so that we might best see all that might be.

### WOMEN’S CLINIC SURVEY – COLUMBIA, MISSOURI

*Written by Fr. Dan Merz, Pastor of the Newman Center & Sacred Heart Catholic Church*

Since my time at Newman and before, I have become more and more aware of the need to change the standard of care provided to women. Through talks on the "Genius of the Body" that we have offered regularly here at Newman, I've become concerned with the number of females who express not understanding well the functioning of the female body. And this goes together with the substandard healthcare they have experienced with a majority of healthcare providers, for example, offering women the quick fix of a pill, a pharmaceutical, contraceptives, in vitro fertilization, etc., which do not respond to the actual problems or issues women are facing. Our Church is pro-woman, and we need to significantly support women's health holistically and ethically with healthcare that listens in order to provide for what their needs are and how God designed their bodies. I'm working with a number of women in Columbia to establish a Women's Health Clinic that will respond to these needs. This is inspired by the Guiding Star Project (founded by Leah Jacobson, author of "Wholistic Feminism"): [guidingstarproject.com](http://guidingstarproject.com) Such a Clinic will offer essential services such as fertility care, pregnancy care, lactation consultation, pre and post-menopausal care, family support, and several other female health services. Imagine a place where females can go during business hours to learn Natural Family Planning (NFP), feel safe, and know the care they receive aligns with their personal health needs on a regular basis. This could be a culture changing service for Columbia and the surrounding area! At this point, we need to gather some survey data regarding the interest from women. Bishop McKnight is supportive of gathering information with a view toward supporting this project. We have a very brief (7 question) electronic survey that we ask you to share with your parishioners via email, bulletin, social media, etc. **It will be available FOR THREE WEEKS over three weekends: July 13 - July 31.**
